RESIDENCE 3270

Upstairs, a welcoming loft adds versatile living space. The primary suite offers a walk-in closet and an elegant bath with a soaking tub, walk-in shower, and dual vanities. Two more bedrooms, a full bath, and a laundry room complete the level, with a mud room off the tandem three-car garage.

An optional finished basement adds a rec room, game room, private bedroom, full bath, and wet bar—ideal for guests or multi-generational living.
