RESIDENCE 2993

The two-story Westfield plan pairs open, sociable spaces with a layout balancing comfort and privacy. The foyer flows into a sunlit great room, dining area, and kitchen with a central island and walk-in pantry. A front study offers quiet workspace, while a powder room and mud room create a convenient drop zone off the garage.

Upstairs, a versatile loft adapts to movie nights, play, or lounging. Two secondary bedrooms share a full bath, and a central laundry room adds convenience. The private primary suite features a spa-like bath with dual vanities, a soaking tub, a separate walk-in shower, and dual walk-in closets.

Includes a 3-car garage! The expansive unfinished basement offers room to grow, whether for storage, hobbies, or future living space.
