RESIDENCE 3453

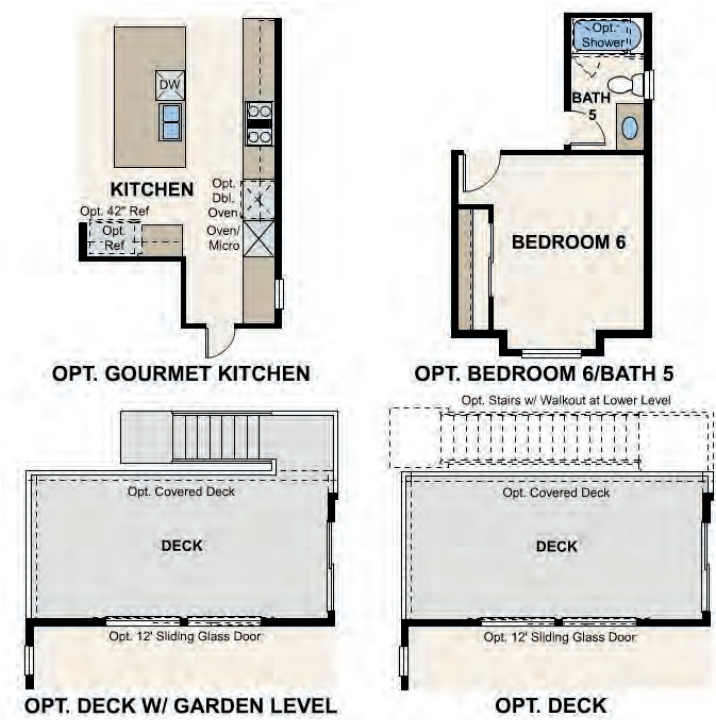

The stunning Shenandoah plan offers an open-concept main floor, encompassing a dining area, a sunlit great room, and a well-equipped kitchen with a walk-in pantry, ample counter space, and a center island. A convenient mud room is adjacent, as is extra storage space. A private study that can be optioned as a sixth bedroom rounds out this level. There are four generous bedrooms upstairs, including the lavish primary suite with dual walk-in closets and a deluxe attached bath with dual sinks, a walk-in shower, and a soaking tub. The laundry is centrally located among the bedrooms for added ease. You'll also find a versatile loft that can double as a home gym, office, or entertainment space. An unfinished basement and 3-bay tandem garage come standard!

-  4-7 Bedrooms
